

40kWh Solar Container Product Warranty

Overview

What is the warranty on a 100kW solar panel system?

Our 100kW solar panel system comes with a 25 year performance warranty, 10 year manufacturer's warranty, and 5 year warranty on workmanship (including installation). To find out if a 100kW solar panel system is right for your large operation, give us a call on 1300 274 737 or get a quote now.

What is smart PV warranty services?

UK PSTI STATEMENT Smart PV Warranty Services provides Warranty Services about HUAWEI FusionSolar Utility C&I Residential and HUAWEI FusionSolar SmartPVMS if any product quality defects occur during the warranty period, HUAWEI will provide free services based on the specified service level and scope.

Does Huawei smart PV have a warranty?

The table above provides warranty descriptions for Huawei Smart PV's products, devices, and solutions. These descriptions reflect the general warranty services. However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements.

How to buy extended warranty service?

Before the end of the standard warranty period, the Buyer may purchase extended warranty service by signing a new service contract or extending the existing service contract with Huawei. The extended warranty period and price depend on the storage/operating conditions. The Buyer may consult Huawei local service team for more details.
