Who makes Andeli switchgear?

Andeli Group Co., Ltd. is a prominent manufacturer specializing in both low- and high-voltage electrical devices, including a diverse range of switchgear. The company's commitment to innovation and quality is reflected in its extensive product lineup and numerous international certifications.

Who is Xiamen Huadian switchgear?

Xiamen Huadian Switchgear specializes in medium and high voltage switchgears and offers a variety of products such as air insulated switchgear, vacuum circuit breakers, ring main units, and gas insulated switchgear, all designed for power transmission and distribution.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

What is a switchgear used for?

It includes in one unit two switches that can connect the load to either or both main conductors, and a fusible switch or circuit breaker and switch that feed a distribution transformer. This type of switchgear is used for medium-voltage power distribution, from 7.2kV to about 36kV volts.
