

# **Assembled 60v300ah solar container lithium battery pack**

## Overview

---

What is a modular custom lithium battery pack?

Modular custom lithium battery pack from Eco Power is developed to meet the highest safety and certification requirements throughout the whole conception and manufacturing process. These lithium battery packs integrate a liquid thermal management system, advanced electronics and lithium ion battery cells with proven technology.

What is a lithium battery pack?

A lithium battery pack is a collection of individual lithium-ion or lithium-polymer cells grouped together to store and deliver electrical energy. These packs are widely used in applications such as electric vehicles, renewable energy systems, and portable electronics.

What is airport power lithium battery pack?

Airport power lithium battery pack is a rechargeable and portable battery pack ideal for charging electronic devices such as smartphones, laptops and tablets on the go. These kind of custom lithium ion battery pack holds enough charge to keep your devices powered up until you reach your destination.
