

Black Mountain Energy Storage Cabinet Container Customization Company

Overview

Who is Black Mountain Energy Storage?

Leveraging cumulative decades of electric market experience, Black Mountain Energy Storage develops powerful, flexible, and strategically placed battery energy storage projects to foster a resilient electric grid. BMES' quickly expanding team of energy experts are fast actors in pipeline development of utility-scale energy storage solutions.

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

Who is Black Mountain?

Agile, visionary, and well-funded, Black Mountain is an entrepreneurial community of energy operators that specialize in identifying and capturing high-growth opportunities in the global energy sector. Collectively, we have decades of expertise in sourcing, developing, and operating assets worldwide with a track record of delivering strong returns.

What makes Black Mountain a great partner?

Black Mountain has been an exceptional partner to work with and we are excited to throw our development, EPC and financing expertise behind these assets to move them across the finish line, affirming our commitment to developing resilient renewable energy resources throughout Texas.
