

Damascus Electric solar container battery Factory

Overview

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Why do you need a solar container unit?

Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere. With our pre-configured solar container unit, you can get going quickly, and the folding solar panels for containers can be deployed in less than three hours.

How big is pytes Battery Company?

PYTES currently has total assets over USD 104 million, 1000+ employees and annual capacity of 1.82GWh. The corporation's sales revenue continues growing and reached USD 220 million in year 2021. PYTES has been consistently targeting to be an industry battery expert and to contribute to the society with continuous business operation.

Damascus Electric solar container battery Factory

Energy Storage Battery Manufacturer, Energy Storage System, Electric

Formerly known as DLG Electronics, PYTES started its business in Shanghai over 18 years ago. Through years of dynamic development, PYTES has set up several manufacturing bases and ...
