

# **Dhaka Solar Container Hybrid Retail**

## Overview

---

Who is Dhaka solar?

Dhaka Solar LTD. Dhaka Solar Limited – powering a sustainable future for Bangladesh. We provide complete solar energy solutions for homes, offices, and industries. With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint.

Why should you choose Dhaka solar?

With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint. Your reliable partner for smart and affordable solar energy — Dhaka Solar Ltd. offers customized design, seamless installation, and long-term maintenance to match your unique energy goals. Let's go green together — Let's back to green!.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
