

Discount on 40-foot folding containers for drilling sites

Overview

What is a 40 ft container used for?

40ft units can be used for commercial, residential, and shipping industry applications. There are a few types of 40-foot shipping containers, but the most common one is the standard dry 40' shipping container. These storage containers are easy to load and unload and can hold products that are dense or have a lot of weight.

Where can I buy 40 ft shipping containers?

Discover 40-foot shipping containers for sale at Eveon Containers. Our wind and watertight units feature durable marine-grade plywood floors, ensuring long-lasting storage solutions.

What are the conditions for a 40-foot shipping container?

When it comes to 40-foot shipping containers, there are generally three main conditions available in the market: new, used, and refurbished. Here's a breakdown of each condition: 1. New: A new 40-foot shipping container is in pristine condition.

What is a shipping container depot?

For over 12 years, Shipping Container Depot has been a leader in the shipping container supply industry, providing standard (dry) containers, high-cube containers, and many more. 40-foot Shipping and Storage Containers are the standard for oversized portable storage. These units are ideal for very large portable storage.
