

Energy storage projects have been reported

Energy storage projects have been reported

[Recent Developments in Energy Storage Projects \(May 26\)](#)

Recent developments in energy storage projects have been noteworthy. Below is a summary of updates from May 26 to May 30, 2025: China's First Large-Scale Lithiu...

Policy Shift Sparks China Boom in Independent Energy Storage Projects

Independent energy storage stations in Guangdong province have already reported operating losses with similar losses occurring in Guangxi Zhuang Autonomous Region, central ...

[Global Energy Storage Growth Upheld by ...](#)

The global energy storage market is poised to hit new heights yet again in 2025. Despite policy changes and uncertainty in the world's two largest markets, the US and China, the sector continues to grow as ...

[Global Energy Storage Growth Upheld by New Markets](#)

The global energy storage market is poised to hit new heights yet again in 2025. Despite policy changes and uncertainty in the world's two largest markets, the US and China, ...

[China leads the world in new-type energy storage capacity](#)

China's energy storage sector is rapidly diversifying project applications and accelerating the rollout of multiple technological pathways. Bian noted that in 2024, the NEA ...

[China energy storage project pipeline grows by 140 GWh in ...](#)

China continued its high-growth energy storage market expansion in July 2025, with 1,556 new energy storage-related projects filed for registration, according to the Energy ...

[China Focus: New energy-storage industry booms amid ...](#)

Some local projects across the country that use innovative technologies have recently been begun test operations or been put into service. Taking this month for example. ...

[Energy Storage News , Today's latest by ...](#)

Latest news on energy storage projects, BESS, capacity expansion, and regulatory updates across Europe, US & Canada, Latin America, and Asia Pacific. Discover how energy storage solutions support ...

[Energy Storage News , Today's latest by Renewables Now](#)

Latest news on energy storage projects, BESS, capacity expansion, and regulatory updates across Europe, US & Canada, Latin America, and Asia Pacific. Discover how energy ...

[Multiple Energy Storage And Battery Materials Projects ...](#)

Recently, several projects--including Shanghai Electric Group's 5GWh all-vanadium redox flow battery project, the Washi Power sodium-ion battery base project, and lithium ...

Year-End Review 2025 , Chen Haisheng: China's New-Type Energy Storage

China's nationwide installed capacity of new-type energy storage has exceeded 100 GW, more than 30 times the level at the end of the 13th Five-Year Plan period.
