

Fiji Emergency Command Solar-Powered Containerized Automated Type

Overview

What is the MESC in Fiji?

The MESC will be home to the Republic of Fiji Navy Headquarters, the Rescue Coordination Centre, Suva Radio Coastal Radio Station and Fiji Hydrographic Office. The MESC will serve as a multipurpose building designed to enhance Fiji's maritime capabilities.

What is defence doing with Fiji?

This project builds on Defence's long-standing cooperation with Fiji, which has focused on the areas of maritime security, humanitarian assistance and disaster relief, peacekeeping, and training.

What is a self-unloading mobile solar container?

Self-unloading mobile Solar Container. Our Solar Containers are designed in a way to maximize ease of operation. It's not only meant to transport PVs but also to unfold them on site. It is based on a 20' sea container. The efficient hydraulic system helps quickly prepare the Solar to work.

How will the MESC benefit Fiji's fishing industry?

It will provide added protection for local fishing industries; enhance natural disaster assistance and rescue capabilities; and enhance Suva Radio service. Construction of the MESC commenced in Q3 2022 and is anticipated to be completed in 2024, maximising the involvement of Fijian industry.
