

# **Financing Plan for Large-Capacity Solar-Powered Containers for Shopping Malls**

## Overview

---

How many large containerships will Hapag-Lloyd build in 2024?

Hapag-Lloyd concluded the long-term green financings for the construction of 24 large containerships it ordered in October 2024. As stated, the newbuildings will have a combined capacity of 312,000 TEU and involve a combined investment volume of around USD 4 billion.

How many TEU is a containership in China?

The green financing has been arranged for 12 ultra-large containerships of 16,800 teu, ordered from China's Yangzijiang Shipbuilding, and 12 mid-sized boxships of 9,200 teu contracted from New Times Shipbuilding.

Does \$4bn of long-term financing for 24 new containerships conform to Green Loan Principles?

The world's fifth-largest containership operator said the \$4bn of long-term financing for 24 new containerships conforms to the Loan Market Association's Green Loan Principles.
