

Generator container in Barcelona Spain

Overview

Where to find generator Barcelona?

Find Generator Barcelona in the vibrant barrio of Gràcia, a beautiful part of the city that artists and creatives call home. You'll find that this area oozes plenty of independent spirit, from the Festa Major de Gràcia - a week long street party in August - to the contemporary art galleries and street art that are definitely worth seeking out.

Where to eat at generator Barcelona?

Our local restaurant, Pikió Taco is just across the street, giving our guests access to fresh food and amazing margaritas all day every day, and you'll find live music and karaoke at our Fiesta Gràcia bar. It's a great place to hang out with a beer and a bite to eat. Generator Barcelona is an experience and design-led hotel in Gràcia District.

What is a containerised generator?

Our Containerised Generators deliver robust, high-capacity power from 300-3,000 kVA in secure, weather-resistant enclosures. Designed for challenging environments and critical applications, they offer noise reduction, easy transport, and bespoke configuration to meet your site's exact needs.

Why should you choose generator Barcelona?

Generator Barcelona is the perfect starting point to experience everything Barcelona has in store. Take the hassle out of making a group booking and let us do it for you. Our dedicated team in Barcelona will make sure that your group stay is booked and managed with ease. **WHY GENERATOR BARCELONA?**
