

# **Ljubljana flexible solar panel manufacturer**

## Overview

---

How many flexible panel manufacturers are there?

Companies involved in flexible panel production. 51 flexible panel manufacturers are listed below. ENF Solar is a definitive directory of solar companies and products. Information is checked, categorised and connected. List of Flexible solar panel manufacturers.

Who is metsolar?

Metsolar is a European manufacturer of tailor-made BIPV solutions. Being custom solar panel manufacturer we specialize in design and development of solar panels, which require a personal touch and unique approach to the specific inquiry.

Which solar panel is best for curved surfaces?

We have 6 years experience of R&D, manufacturing lightweight solar panels. With its ultra-thin silicon wafers and advanced organic polymer packaging materials, this solar panel achieves an exceptional level of flexibility. The solar panel suits most curved surfaces as it is bendable within 270 degrees.
