

North Korea outdoor communication battery cabinet agent manufacturer

Overview

KDST provides high-performance battery energy storage cabinet solutions, specially designed for key applications such as telecom base stations, industrial control, and power systems. The cabinet meets the IP65 protection level and features excellent heat dissipation, waterproof, and dustproof capabilities. It integrates power systems, monitoring modules, temperature control, and safety protection to ensure stable long-term operation. Various capacities (e.g., 48V200Ah, 51.2V100Ah) and communication interfaces can be customized to meet diverse requirements.
