

Peruvian solar container outdoor power Customs

Overview

How to import in Peru?

Before importing, you need to establish a legal entity in Peru, which can be a company or sole proprietorship. Then register as an importer with the National Superintendency of Customs and Tax Administration (SUNAT). You will receive an Importer's Registry Number (RUC).

What is SUNAT's role in Peru customs?

SUNAT's role in Peru customs: Peru's customs authority, SUNAT, manages the regulation and enforcement of customs procedures to facilitate trade while ensuring compliance. Required import documentation: Key documents like commercial invoices, bills of lading, and certificates of origin are essential for smooth customs clearance in Peru.
