Overview

How much does a 40ft container cost?

Drewry's World Container Index puts the global average price of shipping a 40ft container at \$1,859 (USD) for 13 November, 2025. Between now and the end of the year, container shipping prices will likely remain soft particularly if the current ceasefire between Israel and Palestine enables more shipping traffic to flow through the Suez canal.

What is a full container load (FCL)?

Full Container Load (FCL): This refers to moves or shipments where you pay for an entire shipping container. This means all your goods are shipped together as one and means no one else's goods are shipping in your container. Shipping companies generally prefer when people pay for FCL as it makes the logistics at both ends much simpler.
