

# **Reykjavik large capacity solar container lithium battery pack**

## Overview

---

With 98% of Iceland's electricity generated from renewable sources, Reykjavik-based factories like SunContainer Innovations leverage this clean energy advantage to produce lithium battery packs with 40% lower carbon footprints than global averages. What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
