

Solar Inverters in North America

Overview

Who makes the best solar inverter?

Known for their durable and reliable inverters made in the USA, OutBack Power is a premier choice for off-grid and battery-based solar systems. The company is based in Arlington, Washington and has been delivering advanced power solutions since 2001.

How big is the North America power inverter market?

The North America power inverter market size reached US\$ 13.9 Billion in 2023. Looking forward, IMARC Group expects the market to reach US\$ 22.5 Billion by 2032, exhibiting a growth rate (CAGR) of 5.3% during 2024-2032.

Why are American made solar inverters so popular?

American made solar inverters are renowned worldwide for their quality, durability, and technological advancement. The country's strong focus on research and development, along with a supportive policy environment, has allowed these manufacturers to create products that are not only competitive but often set industry standards.

Why are power inverters so popular in North America?

North America represents one of the largest markets for power inverters accounting to several initiatives for energy conservation by switching to sustainable energy sources. In addition to this, various regulatory measures, in order to reduce the carbon footprints have boosted the sales of power inverters in the region.

Solar Inverters in North America

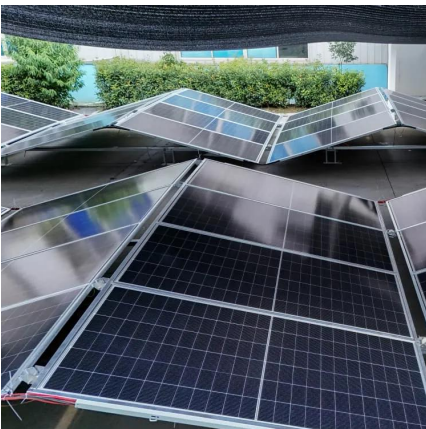

[North America Solar Photovoltaic Inverters Market Size 2026 ...](#)

Oct 28, 2025 · The North America Solar Photovoltaic (PV) Inverters Market has emerged as a critical component in the rapidly expanding renewable energy landscape. As countries like the ...

[North America Power Inverter Market Size, Share & Trends, ...](#)

Oct 8, 2025 · The string inverters segment was the largest by holding 42.3% of the North America power inverter market share in 2024 due to their widespread adoption across residential and ...

[US Solar Inverter Market Size, Trends, Share 2024-2033](#)

Nov 19, 2025 · Reports Description US Solar Inverter Market was valued at USD 1,121.5 Million in 2024 and is expected to reach USD 3,018.2 Million by 2033, at a CAGR of 11.52% during the ...

[North America Inverter Market Size, Growth Report 2035](#)

Solar inverters are the dominant force in the North America inverter market, characterized by their ability to convert solar energy into usable electricity for residential and commercial applications.

[North America Solar PV Inverters Market Size and Forecasts ...](#)

Apr 25, 2025 · In North America Solar PV Inverters Market, Residential and commercial solar installations are becoming increasingly popular due to government incentives.

[North America Power Inverter Market Size, Report 2025-33](#)

It joins the company's domestic content solar inverters and power optimizers, boosting incentives for solar-plus-storage systems. In September 2024, GE Vernova Inc. introduced its 6 MVA, ...

[U.S. solar inverter manufacturers](#)

May 20, 2025 · This is a current list of U.S. solar inverter manufacturing locations. This data was collected by Solar Power World editors and will be continually updated as facilities are started. ...

[Top 15 Solar Inverter Manufacturers in USA: Update 2024](#)

Dec 1, 2025 · The United States is a powerhouse in the solar energy industry, boasting a vibrant ecosystem of manufacturers that design and produce cutting-edge solar inverters. These ...
