

Supporting energy storage power station dispatch

Supporting energy storage power station dispatch

"Committed to supporting X" vs. "committed to support X"

1 'Supporting' suggests the commitment is ongoing and long-term. 'Support' suggests the support is a one-time, temporary thing. I would go with supporting.

Word or phrase for "online supporting documents"

In a conversation on a particular topic, I want to ask the other person to provide online supporting documents about his views on the topic. They may be websites or blogs or ...

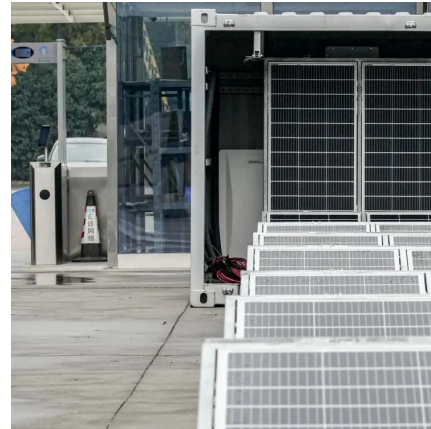

grammatical number

In this instance, I am referring to two people, so the your is plural. My question is if I should use "support" or "supports". Support can be talking about the collective aid of

"Support on the project" or "support with the project"

Support usually takes the preposition "of" in your context. Here are two examples of ways to word this response: Thank you for your support of the project. If you want to avoid ...

[A word for a business that makes supporting products for ...](#)

Is there a business term for a company's whose products and services are entirely in support of another company's product or service? For example Companies that sell door ...

["support to" vs. "support of"](#)

I agree with this analysis, and I think that repeating for is better than using an awkward-sounding alternative preposition simply to avoid the duplication. Another way to ...
