

Switchgear equipment for sale in Belgium

Overview

Which is the best switchgear manufacturer in Europe?

This switchgear manufacturing company is considered the biggest industrial manufacturing firm in Europe along with branch offices across the globe. Siemens is one of the best switchgear manufacturers along with annual revenue of over \$83 billion across the worldwide market. Ultimately, Orecco is switchgear manufacturer located in China.

Who is SGC - switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC - SwitchGear Company provides reliable products for electrical distribution applications.

What is outdoor switchgear?

Our Outdoor Switchgear offers outstanding reliability for your electrical networks. The outdoor reclosers are the perfect solution for pole-mounted and overhead distribution networks and our leading outdoor circuit breakers are reliable, cost-effective and require limited maintenance.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one feet away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.
