

Transition Energy Storage Device

Transition Energy Storage Device

[Etymology: The transition from "bellum" to "guerra/guerre", ...](#)

Bellum of course means 'war', but there was a word bellus that meant 'nice', 'pretty'. A bellus homo was a man who was probably seen as somewhat effeminate, who had ...

[switch vs transition vs change , WordReference Forums](#)

I am trying to choose between these three words (switch & transition & change) to use the suitable one for a sentence. The article talks about how we can recycle waste using an ...

[transition écologique , WordReference Forums](#)

Bonjour, Je dois traduire dans un article l'expression "transition écologique", très à la mode en France en ce moment. J'avais bien pensé à "ecological transition" sauf que cette ...
