

Tripoli 2025 solar container battery Exhibition

Overview

When is Tripoli International Fair 2025?

A press conference was held at the Tripoli International Fairgrounds last Monday (10 February) to announce the start of the countdown to the 51st edition of the Tripoli International Fair, which will be held from 22 to 28 April 2025. The launch event was attended by several officials headed by the Minister of Economy and Trade, Mohamed Hwej.

What is the Tripoli International Fair?

The Tripoli International Fair, established in 1927, is considered one of the oldest in the region. It serves as a platform for trade exchange and connectivity between Libya and the world.

Why is Tripoli International Fair 51st edition important?

The Tripoli International Fair 51st Edition is more than just a commercial event; it's a symbol of hope and progress. In a world often dominated by headlines of conflict and division, trade fairs like this remind us of the fundamental human desire for connection and exchange.
