

Which is the best super capacitor in India

Overview

What is India supercapacitors market?

India Supercapacitors Market is anticipated to grow at a robust CAGR in the forecast period due to increase in sales of electronic products and automobiles. Supercapacitors, also known as ultracapacitors, double layer capacitors, or electrochemical capacitors, are a type of energy storage system.

Which is the first commercial supercapacitor production facility in India?

Keltron has established the first ever commercial supercapacitor production facility in India. It is the first company with completely automated equipments for production of supercapacitors and is the only indigenous commercial scale manufacturer of supercapacitors in India. The project is technically supported by ISRO and funded by Govt of Kerala.

Who makes capacitors in India?

Maurya Enterprises is another giant capacitor manufacturer in the country that makes and sells industrial capacitors, power factor panels, control panels, power factor relays, and other stuff. They've been around since 2000 and are based in Delhi.

Are Indian capacitor manufacturers catching up with Taiwan and China?

Although Taiwan and China are currently the big guns in the capacitor manufacturing game, Indian manufacturers are slowly but surely catching up. The Indian government is also pushing to develop the capacitor manufacturing industry within India, which is great news for the future of Indian-made capacitors. So, let's get into the nitty-gritty!

Which is the best super capacitor in India

[Top 10 Best Capacitor Manufacturers In India 2025](#)

Mar 25, 2023 · The Indian government is also pushing to develop the capacitor manufacturing industry within India, which is great news for the future of Indian-made capacitors. So, let's get ...

[India Supercapacitors Market By Size, Share, Trends, Growth ...](#)

A key market trend in the India Supercapacitors Market is the continuous advancements in supercapacitor technology. Manufacturers are focusing on improving the energy density and ...

[India Super Capacitor Market Size and Forecasts 2031](#)

Nov 28, 2025 · The India Super Capacitor Market is expanding rapidly due to rising demand for high-power energy storage and fast-charging technologies. Super capacitors in India are ...

[India Supercapacitors Market Size, Share & Forecast to 2030](#)

The India Supercapacitors Market was valued at USD 235 Million in 2024, and is expected to reach USD 545.61 Million by 2030, rising at a CAGR of 14.90%. The India Supercapacitors ...

[Top 10 Best Capacitor Manufacturers In India 2025](#)

Murata India Ucon Capacitor Deki Electronics Limited TDK India Jaivic Electromech Private Limited Rabyte Electronics Ventura Electricals Hindustan Maurya Enterprises Samwha Capacitor Group India Godi Energy India

Lastly, we'd like to introduce you to another rising name in this industry, which is GODI India. This company is doing some really cool stuff in the energy storage space in the country. They've come up with India's first-ever high-power supercapacitors for electric vehicles, which can help improve the battery life of EVs. These supercapacitors are
