

# Wholesale afriipower inverter in Congo

## Overview

---

What is the afriipower pure sine wave inverter range?

The Afriipower pure sine wave inverter range is designed to withstand the challenges of our local operational environment, including low power supply, wide voltage fluctuations and the need to protect the user's battery bank and ensure longevity.

Is the afriipower 1700va a solar compatible inverter?

Simply put, it meets the basic power needs of an average family and can provide a reasonable autonomy period. The Afriipower 1700VA inverter is solar compatible, meaning you can integrate solar charging by installing solar panels.

Who is afriipower?

Afriipower provides reliable, efficient, comprehensive end to end power back up solutions to individual customers and corporate clients through pre/post sales and service support. Afriipower Inverters and tubular Batteries are Nigeria's most preferred brand of products in the business of uninterrupted Power Supply.

What are afriipower inverters & tubular batteries?

Afriipower Inverters and tubular Batteries are Nigeria's most preferred brand of products in the business of uninterrupted Power Supply. Our Products have helped Nigerian masses to drastically bring down the usage of Generators and fossil fuels like diesel and Petrol.
